Dear Friend/s of UMCOR:

I am writing to thank you so much for your generous contribution to the new UMCOR West Office and Depot in Salt Lake City. The relief materials and/or money you sent will be well used to aid the work of UMCOR West as we seek to reach the most vulnerable of populations around the world with our disaster relief materials.

I also want to invite you to continue to support and participate in the mission work here at the depot. We are beginning to compile a substantial number of Disaster Relief Kits which will soon be sent away to numerous places around the world. It is the invaluable work of people like you that makes a difference in the lives of people everywhere! You can visit our website at <http://new.gbqm-umc.org/umcor/work/reliefsupplydepots/> where you will find more information about UMCOR West and the work that we do.

Peace in Christ,
