

The Utah/Salt Lake Chapter of ARMA supports the ARMA International Education Foundation (AIEF). The foundation is a funding resource for research and scholarship in the field of records and information management. The source of funds is the income earned by an Endowment being raised by concerned individuals and organizations in the profession. For more information on the Vision & Mission of AIEF or to download excellent research papers on current topics in the field of Records and Information Management commissioned by the organization please visit: <http://www.armaedfoundation.org/>.

The AIEF raffle is a major fund raising source supporting the important and ongoing work of the ARMA International Educational Foundation.

Raffle tickets are available for purchase at chapter meetings through April 15, 2010. Prize drawings will occur in May 2010.

Tickets are \$5 each for a chance to win free registration for the 2010 Conference in San Francisco - the annual premier educational event for RIM Professionals. That's a \$900+ value! The more tickets you purchase, the better your chances and you cannot lose since the donation is tax deductible.

So....Buy Early and Buy Often!!

If you wish to reserve tickets for purchase at any of our local Chapter meetings, please contact David Fleming via email at [david.fleming@zionsbancorp.com](mailto:david.fleming@zionsbancorp.com) .

Thanks in advance for your generous support of AIEF!!
